**V. PLANNING ANALYSIS**

As stipulated in the Land Development Regulations, Article IV, Section 4.6, Standards for Approval, The Planning and Development Division has reviewed the proposed request pursuant to the following special exception considerations:

1. The effect of such use on surrounding properties.
2. The suitability of the use in regard to its location, site characteristics, and intended purpose.
3. Access, traffic generation and road capacities.
4. Economic benefits or liabilities.
5. Demands on utilities, community facilities, and public services.
6. Compliance with the Comprehensive Land Use Plans for Broward County and/or the City of Lauderdale.
7. Factors relating to safety, health, and general public welfare.

Based upon its review, staff finds the proposed use to be generally consistent with the above considerations. As such, staff recommends approval of the special exception request.

**LDR Article III, Sections 2.3 and 2.4., and Schedule B.** respectively address permitted and special exception uses. The LDR classifies the proposed use as a Convenience Store and such Uses are allowed in the General Commercial (CG) zoning district through a special exception use approval.

The subject property and all of the surrounding properties are zoned General Commercial (CG) on the City of Lauderhill Zoning Map and located along NW 50<sup>th</sup> ST and N Pine Island Rd. The Applicant is proposing to take over an existing Convenience Store Use within a commercial plaza. As the Convenience Store Use is existing, there will not be an adverse effect to the remainder of the commercial plaza or surrounding properties. As such, Staff concludes that this is an appropriate location for the proposed use as it pertains to the use's effect on the surrounding properties.

The intended purpose is to continue to provide a service where the immediate community can continue to purchase products such as small household items, drinks, snacks, lottery, beer, wine and tobacco. As the Use is in existence and is proposed to be conveyed with the exact operational plan, Staff finds that the Use is suitable in regard to location, characteristics and purpose.

The proposed convenience store provides both direct and indirect economic benefits such as, additional full time jobs to the City of Lauderhill, as well as the collected sales tax and local business receipt tax.

Staff concludes that a convenience store can adversely impact the public safety, health, and general welfare unless such adverse impacts are substantially mitigated. Staff concludes that as opposed to other commercial uses, a convenience store is susceptible to increased crime. Staff concludes that the Convenience Store Use shall be operated consistent with all applicable Florida State Statutes governing Convenience Businesses and regarding security and training to include but not be limited to Florida State Statute Sections 812.171, 812.173, and 812.174. Staff concludes that through Special Exception Use conditions the adverse impacts of such can be substantially mitigated and that this application is in conformance with LDR Article IV, Part 4.0, Section 4.6.

In order to help prevent crime, the proposed Convenience Store Use must also comply with all provisions required in Article VII Section 12-106- Convenience Stores of the Code of Ordinances and Article III Sec 5.15.A of the Land Development Code as well as provide an approved safety plan prior to obtaining conveyance of the associated COU. Unlimited Smoke & Food Store, LLC currently has 16 security cameras, an ADT alarm system, a drop safe for cash and a panic alarm within reach of the cash register. Of note, the business owner has owned and successfully operated another convenience store in the City of Sunrise for the past 4 years.

## **VI. RECOMMENDATION/ACTION**

Staff recommends approval of this special exception request for conveyance of a convenience store.

In order to ensure potential effects on the surrounding area is minimized, staff recommends the following conditions be imposed:

1. This special exception use development order to allow the Convenience Store is specifically granted to UNLIMITED SMOKE & FOOD STORE, LLC and such development order cannot be conveyed to another person or entity. Any change of corporate ownership affecting 51% percent or more of the interest of the business or any of its assets in any manner shall trigger this provision. Further, this special exception use development order shall automatically expire and become null and void if any entity other than UNLIMITED SMOKE & FOOD STORE, LLC operates the convenience store.
2. The Convenience Store use is restricted to approximately 1,200 square feet of leasable space located at 8717 - 8723 NW 50th ST Lauderhill, Florida. Consistent with Land Development Regulations Article IV., Part 4.0., Section 4.3., the expansion, alteration, enlargement or removal to another location of this use is prohibited and shall be unlawful unless the City Commission amends this development order or grants a new development order to allow such expansion, alteration, enlargement or removal to another location. Notwithstanding the above, through the site plan modification process, the City Commission delegates to the Development Review Committee (DRC) the authority to allow the floor plan to be altered; however, the DRC is without authority to allow the expansion, enlargement, or removal of the use to another location.
3. The submittal of a safety plan approved by the Lauderhill Police Department is required prior to the city issuance of conveyance of an associated Certificate of Use (COU).
4. The convenience store days and hours of operation are Monday through Friday 8AM-10PM, Saturday 9AM-10PM and Sunday 10AM-10PM. Alcoholic beverage sales will be limited to beer and wine on the days and hours imposed by Land Development Regulations Article III., Part 5.0., Subsection 5.3.1.A.
5. UNLIMITED SMOKE & FOOD STORE, LLC shall comply with all of the requirements of Section 812.173, Florida Statutes regarding security at convenience stores as well as comply with all provisions required in Article VII Section 12-106- Convenience Stores of the Code of Ordinances and Article III Sec 5.15.A of the Land Development Code. Such conditions must be met and required at time of Certificate of Use.
6. If there are any code enforcement violations or liens, this Special Exception Use Development Order may be brought before the City Commission to be reconsidered, at which time the development order, or the conditions of approval, may be subject to modification, suspension and/or revocation.
7. Any violation of these conditions of approval may result in a public hearing before the City Commission and may result in the modification, suspension or revocation of this special exception use development order or its conditions or both.

8. Any special exception approval granted by the City Commission shall expire one hundred eighty (180) days after the date of approval, unless a development permit or site plan approval is applied for within the one hundred eighty-day period.
9. If a use which has been granted a special exception shall cease to operate for a continuous period of one (1) year, the special exception approval shall expire.
10. The owner shall execute a trespass agreement for the police department to keep on file for enforcement.

**Unlimited Smoke & Food Store LLC  
8717 NW 50th St Lauderhill FL 33351**

City of Lauderhill,

At Unlimited Smoke & Food Store, we are purchasing this currently operating convenience store and keeping it the same way. We will keep the same type of merchandise to serve the community and people living nearby. We will provide the community with a wide selection of drinks, snacks, lottery, beer, wine, cigarettes, and general tobacco merchandise. We are looking forward to continuing the growth of this business to better serve the community with all their needs and wants as a one stop shop. The convenience store will be kept clean, quiet, and operating smoothly to the best of our ability. We strive to provide a great customer experience for the residents of the city of lauderhill by providing them with daily household needs such as listed previously, and more. We take our time to understand the needs of every customer and try to fulfill their expectations to the best of our ability and that's what allows us to grow our business. Currently, there is another convenience store located in Sunrise, FL from the same owner which has been operating efficiently under the same management for the past 3 years. We look forward to provide the community with as much as we can, all at one place.

Thank you,  
Sahil Memon

The hours of operation for the location are 8am-10pm on weekdays and 9am-10pm on Saturdays and 10am-10pm on Sundays. Our company currently has 2 employees. For the security of the business and employees we take a few precautions. For example, we have about 16 cameras throughout the establishment and an ADT alarm system. We also have a panic alarm by the register which employees can use during an emergency. For cash handling, we have a drop safe within the store where the money can be dropped every night. The space is about 1200sqft. Our store will help the residents have access to daily needs as well as grabbing a quick snack on their way out of the house. The store is conveniently located in a neighborhood and customers can easily stop by either on their way out of their homes or on their way home to grab anything they may need. We also welcome and serve employees of nearby businesses who enjoy buying snacks and drinks. I also own another convenience store in Sunrise Florida for about 3-4 years and have been doing great business there since I started. Our rule has always been to satisfy customers and if businesses learn to satisfy the needs of their customers, they will always be successful.
