Request Action:

Approve the 2nd Amendment to the Interlocal Agreement for Solid Waste Disposal and Recyclable Materials Processing Authority of Broward County, Florida

Need Summary Explanation/ Background:

The City of Lauderhill previously entered into the Interlocal Agreement for Solid Waste Disposal and Recyclable Materials Processing Authority of Broward County, Florida (the "ILA") among Broward County, Florida (the "County") and twenty-eight municipalities in Broward County, effective as of August 16, 2023, that created the Solid Waste Disposal and Recyclable Materials Processing Authority of Broward County (the "Authority"). In order for the Authority to continue in existence, the ILA required the adoption of a First Amendment to the ILA within thirty-six months of the ILA Effective Date as part of the Formation Conditions of the Authority. The City of Lauderhill approved the First Amendment in the timeframe. However, a new Second Amendment has been presented to the municipalities which must be passed by 80% of the municipalities by August 15, 2026. The Second Amendment provides two options for municipalities to withdraw from the ILA.
